

## Overview of West Chilcotin Health Centre

**Primary Care:** The West Chilcotin Health Centre has one full-time General Practitioner who works closely with a Nurse Manager and a Nurse Practitioner. For staff information, please click [here](#).

**Facilities:** This Community Health Centre is an Interior Health facility located in Tatla Lake, BC and offers a variety of services in one location. The types of services delivered depend on patient needs and whether comparable services are available nearby. Centres that offer one type of specialized outpatient care procedure (such as eye surgery) are classified based on that service.

Community Health Centres do not have acute care beds but may provide: basic laboratory and radiology; urgent care; outpatient ambulatory care; community services; long-term residential care services; and/or on-site doctors' offices.

**Location:** Tatla Lake is a small unincorporated community in the West Chilcotin area of BC, situated 220 km west of Williams Lake along Highway 20 (Chilcotin Highway), Tatla Lake's 123 people live approximately half-way between the two ends of the highway; Williams Lake to the east and the coastal community of Bella Coola to the west.

**Hours of operation:** Monday to Friday 8:30 am – 4:30 pm (closed for lunch between 12 pm and 1 pm)
